

Induscan QC Technician (IQCT)

Eligibility criteria for course admission

The applicant shall have passed PLUS TWO (in any discipline) from a government-approved higher secondary school and shall have attended pre-admission counselling at Induscan to become eligible for course admission. Registration fee is Rs 200/- (Rupees two hundred only). An online registration form is available on our website.

Pre-admission counselling

Pre-admission counselling (one day) will be arranged at the institute to explain the course content, course benefits, course fee, joining process, methodology of training, stipend, employment, answers to questions, etc. Counselling dates will be published as per the schedule of batches.

The course

The selected student should undergo the four modules (Modules 1, 2, 3 and 4) of the training programme to complete the studies. During this period, the student undergoes practical-oriented training on various concepts of engineering such as engineering drawings, materials identification, material handling, metallurgy, manufacturing processes (marking, cutting, drilling, steel structural fabrication, piping fabrication, welding, process NDT, quality control tests, maintenance, industrial safety and disaster management) at the level of a technician. The duration of training is 1200 hours (210 working days @ 6 hours a day). The methodology of study is 30% theory and 70% practical classes.

Apprentice trainee

Upon completion of the training programme, students shall continue as apprentice trainees (Module 4.A) on Induscan construction projects with an attractive stipend until they find suitable placement in other organisations.

Syllabus

(Detailed syllabus is available during pre-admission counselling.)

Training methodology

(Available during pre-admission counselling.)

Training facility

(Well equipped with most modern labs and workshops.)

Training faculty

(Technically qualified, industrially exposed faculty members.)

Course fee

(Fee list is available during pre-admission counselling.)

Placement

Placement is guaranteed for all successful candidates.
